PREPARED GROUP

Construction cleaning

NERT FACILITY SOLUTIONS

SERVING THE SOUTHEAST

Multifamily Construction Cleaning

From rough clean to move-in ready.

From the first rough clean to final detailing and move-in-ready turnover, we help multifamily construction teams keep projects moving across the Southeast.

CLEANING FOR EVERY PHASE

Rough cleans

Keep construction phases moving with cleaning as the project progresses.

Final cleans

Detailed cleaning ahead of inspections, presentation and occupancy.

Punch-out cleans

Targeted cleaning after punch-list work and finishing touches.

Unit turnover cleaning

Prepare individual units for the next move-in.

Common-area cleaning

Present clean, welcoming shared spaces throughout the community.

Post-construction detailing

Give the finished property the attention it deserves.

One project or multiple communities.

We work alongside general contractors, developers, builders and construction managers, coordinating cleaning around project phases, changing schedules and turnover deadlines.

Let’s talk about your next project.

Send the project location, unit count, cleaning scope and target dates to discuss scheduling and pricing.
